NATIONAL APPRENTICESHIP WEEK 2025

Happy National Apprenticeship Week! We hope you enjoy any of the events that you have signed up for. It isn't too late so check out [the events list here](#) and register for anything you're interested in.

This [Rapid Read bundle](#) has been created for teachers, students, parents and carers, employers and anyone looking to expand their knowledge of apprenticeships and other vocational routes. This bundle contains a range of quick-read information on Apprenticeships, T Levels and much more!

There is also a [collection of rapid reads](#) for SEND learners that offer guidance on finding an inclusive employer, application support, functional skills and the types of on-programme support available for apprentices with additional needs.

You can use the Amazing Apprenticeship's "[Meet the Employer zone](#) to learn more about different employers, what apprentices they look for and how their recruitment processes work.

If you're not sure where to start with Apprenticeships, a good place to begin your journey is with [these online quizzes](#). You can test your knowledge on apprenticeships, guess the apprenticeship being described and learn about apprenticeship standards by matching them to their descriptions.

The [Apprenticeship Arcade](#) provides a suite of games offering an interactive and fun way for you to explore and learn about apprenticeships. You can access all the games under the title "For Students to Play Independently".

Parents and Carers can [read and subscribe to this magazine](#) to stay up to date with the latest Apprenticeship news.

JOB OF THE WEEK

[Graphic Designer](#)

A graphic designer uses art and technology to create images and layouts that communicate ideas. They may work on websites, printed pages, and other marketing materials.

Watch the video to learn more about how much you could earn, working hours and pathways into the industry.

LABOUR MARKET INFORMATION FACT

There are around 25,000 apprenticeship vacancies available online at any one time.

Most apprentices start work between the ages of 19 and 24 compared to 15 and 17 in 1914.
