OPPORTUNITIES

National Care Leavers Week will run from: Monday 28th October - Sunday 3rd November. The theme this year will be: All of Us, We are One. You can use the following hashtag on social media to find events, resources and useful posts; #NCLW2024.

National Care Leavers' Week exists for the public, professionals, carers, decision-makers and the media to come together, celebrate care leavers and raise awareness of the issues in the care system.

You can read this webpage to find out more about why someone might be taken into care, statistics about young people in care and answers to frequently asked questions.

The Become Charity have a range of ongoing work and campaigns in place to highlight specific issues with the care system and try to drive change by raising public awareness, speaking to the people in power who can change laws and putting your voice front and centre so they can be heard. You can read more about these here.

There are several events happening to celebrate National Care Leavers Week. Some are online and some are in person. You can view them here.

If you are in care, or have experience of being in care in the past, there's lots of support available in higher education to help you with finance, accommodation, and settling in. You can read this guide from UCAS to find out more.

All of Us are a charity who run a community for estranged and care experienced students across the UK. Find friends who get it and allies to organise with. They have also produced an employment tips document which signposts you to other organisations who can help.

JOB OF THE WEEK

Social Worker

A children's Social Worker is a professional who works to protect children and improve the lives of families in need. They develop tailored care plans to support families to ensure children are being looked after in their homes.

Williams Racing provide work experience placements for students in years 10 to 13. The aim of the week is to help students understand the huge variety of jobs in F1 and help set out the routes and tools to get there. As racing online develops almost as fast as on track, this year we will also be running an Esports work experience week alongside our traditional F1 work experience.

If you're in Year 13 and are currently working on your university application, here are some resources that can help:
